Support for those affected by sudden death in young people

www.2wish.org.uk

It is my pleasure to extend a very warm welcome to you as you consider joining our organisation.

2wish was founded on the belief that no-one who loses a child or young person suddenly or unexpectedly does so without the offer of support to help them through the darkest days.

Since 2012, 2wish has received over 1300 referrals for children and young people who have sadly died much too soon. We have supported over 6,000 individuals and offer support in the immediate aftermath and longer term so that our families know we are always there, in the days, months and years to come.

We are an organisation with family and community at the heart of everything we do. Our families, volunteers, ambassadors, supporters and staff all make a difference and we all share one common belief; that no family should be left without the offer of support.

Would you like to join us and make a difference?

If you feel passionate about supporting those suddenly bereaved and have the skills we're looking for, we'd love to hear from you.

Thank you for your interest in this role.

Very best wishes

Job title: Business Development and Partnerships Manager

Reports to: Head of Fundraising

Salary: £32,000

Location: Remote with travel around England and Wales

Hours: Full-time, 37.5 hours per week, Monday-Friday

Post No: 2WBDPM01

Background of 2wish:

In 2012, Rhian Burke lost her son George suddenly in an emergency unit in South Wales. Despite the amazing staff, who showed support and empathy at the time of death, the family walked out into the dark of the night with nothing, heard from nobody and were left alone to deal with the shock and trauma. Five days after her son passed away, her husband Paul died by suicide, inconsolable and consumed in grief. Still nobody came. 2wish (formally 2 Wish Upon A Star) and the following support services were established as a result of this tragedy and are today implemented in partnership with every health board, hospital, police force, coroner's office and mental health team across Wales.

2wish Cymru and 2wish: 🏧

2wish has been established since 2012 and has grown from strength to strength. During this time, we have worked tirelessly to embed our service and ensure that the offer of support is made at the point of death.

We offer an immediate, consistent, high-quality and compassionate service to all individuals affected by the sudden and unexpected death of a child or young person aged 25 and under in Wales. A Family Story by Ady Smith - Ella's Dad 🏧

The 13th of June 2021 was a wonderfully sunny day. Little did we know that, before the day would end, our lives would be thrust into despair and changed forever. Our beautiful daughter, Ella, had been enjoying the day with friends, before she was involved in a road traffic collision and tragically lost her life at the scene of the accident. In a cruel twist of fate, I was one of the responding Fire Service personnel.

Ella was a caring young lady who had a heart of gold and would go out of her way to help others, could be described as a social butterfly, and loved her family and friends. Ella always had a smile on her face, was a bit of a prankster, and always full of fun.

In the immediate hours following Ella's death, we were being supported by our Family Liaison Officers (FLO) when she asked, what upon reflection was such a vital question; "Would you be happy for us to refer you to the charity 2wish?" The FLO went on to explain a little about the charity, although we had some awareness of their work from their social media channels.

At this point we were in a daze, we didn't know what to do or where to turn, within less than 24 hours 2wish had dropped into our lives (and have been with us ever since). Nicole contacted us and provided a sense of calm in what we would now describe as a time of complete chaos.

The 2wish team visited Ella and were able to provide us with memory boxes that included her handprints and a lock of her hair, this is something we thank them so much for. The boxes bring us great comfort and we believe they will continue to do so as we move forward with our lives in a very different way, carrying our loss.

The support didn't and hasn't stopped there, through the charity we have all been supported by bereavement counsellors and this has also extended to wider family and very close friends of Ella's. Ella's brother has been supported by Ellie, the young person coordinator, and he finds these sessions a welcome break and an opportunity to talk. Ella's sister, whilst not having support currently is aware it is there when needed no matter how far in the future. I have been receiving specialist PTSD counselling arranged by 2wish and have attended complementary therapy sessions organised by the charity too.

A standout memory for us would be the video message Ella's brother received from Dan Biggar (his hero), the happiness in his eyes will long live with us all, and something we will never be able to thank 2wish enough for.

Every one of us has had different needs, the staff at 2wish have been amazing, they have gone out of their way to find solutions to our challenges, and we honestly do not know where we would be without their support, guidance, and friendship.

Through tragedy we have connected with some wonderful people, 2wish will always be there for us, as a family we will always be there to support the charity, raise money, and attend events to ensure the amazing work they do continues. The impact they have had on our lives can't be measured and we want to help ensure other families benefit in the way we have.
