Support for those affected by sudden death in young people

Welcome from Rhian Mannings MBE, Founder and CEO

It is my pleasure to extend a very warm welcome to you as you consider joining our organisation.

2wish was founded on the belief that no-one who loses a child or young person suddenly or unexpectedly does so without the offer of support to help them through the darkest days.

Since 2012, 2wish has received over 1700 referrals for children and young people who have sadly died much too soon. We have supported over 8,000 individuals and offer support in the immediate aftermath and longer term so that our families know we are always there, in the days, months and years to come.

We are an organisation with family and community at the heart of everything we do. Our families, volunteers, ambassadors, supporters and staff all make a difference and we all share one common belief; that no family should be left without the offer of support.

Would you like to join us and make a difference?

If you feel passionate about supporting those suddenly bereaved and have the skills we're looking for, we'd love to hear from you.

Thank you for your interest in this role.

Very best wishes

Role Description: ☆

Job title: Immediate Support Coordinator - Hampshire, Wiltshire and Dorset

Reports to: Bereavement Services Manager for England

Salary: Starting salary of £26,500 per annum

Location: Home working with regular travel throughout Worcestershire, Herefordshire and Gloucestershire initially. Following further expansion of our service in July 2025, the post-holder will cover Shropshire instead of Gloucestershire. Occasional travel to 2wish Head Office in South Wales.

Hours: Full time - 37.5 hours over 5 days

Post No: 2WISC07FT

Background of 2wish: ☆

In 2012, Rhian Burke lost her son George suddenly in an emergency unit in South Wales. Despite the amazing staff, who showed support and empathy at the time of death, the family walked out into the dark of the night with nothing, heard from nobody and were left alone to deal with the shock and trauma. Five days after her son passed away, her husband Paul died by suicide, inconsolable and consumed in grief. Still nobody came. 2wish (formally 2 Wish Upon A Star) and the following support services were established as

result of this tragedy and are implemented in partnership with every health board, hospital, police force, coroner's office and mental health team across Wales.

Since expanding into England in January 2024, 2wish has established working relationships with referral partners across the bordering counties.

2wish Cymru and 2wish: ☆

2wish has been established since 2012 and has grown from strength to strength. During this time, we have worked tirelessly to embed our service and ensure that the offer of support is made at the point of death.

We offer an immediate, consistent, high-quality and compassionate service to all individuals affected by the sudden and unexpected death of a child or young person aged 25 and under. We work in partnership with professionals who refer into the charity on behalf of families, so they don't have to trawl through the internet for an organisation who may, or may not, be able to support. We provide immediate, and ongoing, support and are here for as long as our families need us.

In January 2024 we launched phase one, of the ten-phase expansion, into the bordering counties of England and Wales, namely; Cheshire, Shropshire, Herefordshire, Worcestershire, Gloucestershire and Avon and Somerset.

In July 2025, we plan to launch phase two of the expansion and will continue to roll out support in the coming years across the whole of England.

A Family Story by Harry & Rebecca Foster - Olivia's parents

Olivia Rose Foster was the most beautiful baby girl who only ever knew fun, love and happiness. For 15 months she lit up the world with her infectious smile, her cheeky attitude and her love of life. Olivia was always playing, laughing (eating!) and enjoying every second of her life.

On 11th October 2023 our life was suddenly and unexpectedly turned upside down. Twenty-four hours prior to her death, Olivia was enjoying herself in the park despite having a cold. When we noticed she wasn't herself, we took her into A&E. After an overnight stay and a morning where Olivia deteriorated rapidly without much care from the hospital, Olivia went into Cardiac Arrest and subsequently passed away after 90 minutes of CPR with her Mummy and Daddy by her side reading her stories and singing her favourite songs. Three months later, we found out that Olivia had died of Acute Myocarditis.

Leaving our precious little girl in hospital that evening was unfathomable; we felt completely alone and lost. We remained like this for 3 months until we were offered a lifeline. 2wish had expanded to England. The way we describe the feeling was as if we were trapped in a well with no light, then someone lifted the lid, offering us some light, a hand and some hope. 2wish's involvement with us as a family has been invaluable and we will be forever grateful for the kind, caring and professional support we're receiving. We are taking comfort in raising awareness and fundraising for 2wish as our way of thanking them for their support and making Olivia proud of us.

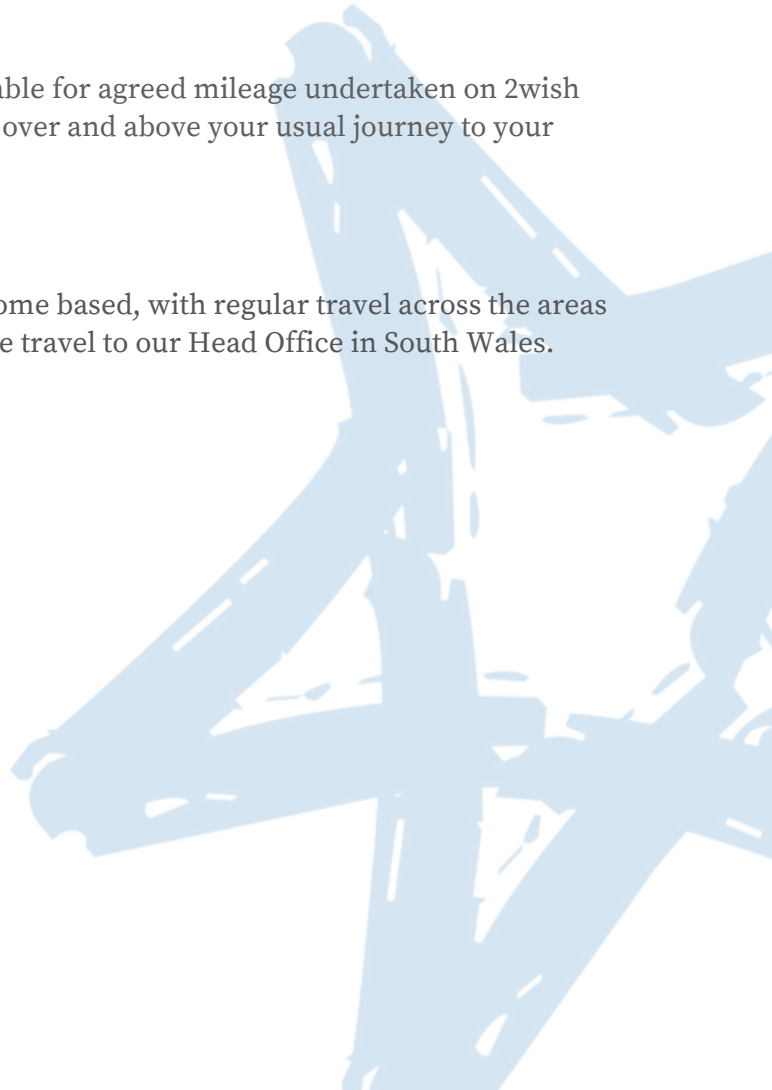

We try to live our lives by the phrase "Be More Like Olivia" which is what we decided minutes after she died whilst holding her in our arms. It represents trying to find positives in life, enjoying the time you are given and supporting everyone. Olivia was such a bundle of fun; we are thankful that she only ever knew fun, love and happiness in her life and we will never forget that gummy smile! We will never stop talking about our beautiful girl and we will always love and remember our little Olivia.

#bemorelikeolivia
