Making a Difference

Every penny raised goes towards providing vital support for those suddenly bereaved by the death of a child or young person. Seemingly small gestures such as; a hot drink in a safe space like a 'coffee morning' can have a hugely positive impact on someone during their darkest days.

The cost of 2 cups of coffee at a 'Coffee Morning' with the 2wish Support team.

£5

£45 will cover the cost of a memory box for a bereaved family, to house cherished items.

£45

£15 will bring comfort to a bereaved sibling by providing them with a 'Gorgeous George' soft toy.

£2000

will fund the complete refurbishment of a bereavement suite, providing a safe space for grieving individuals.

Your contribution, no matter how large or small will contribute towards providing support for an individual during arguably the most challenging time of their life. We believe that every individual's grief journey is unique, which is why we are dedicated to providing support in a multitude of different forms.

We look forward to partnering with you to ensure that we can continue to provide support to those affected by the sudden death of a child or young person aged 25 and under.
