Why Volunteer with Us?

Volunteering to support our collection pots is a simple but important way to help 2wish be there for families in their darkest hours. Every donation raised helps us continue to provide compassionate, immediate and ongoing support to families affected by the sudden death of a child or young person, when they need it most.

Volunteering gives you the chance to become part of the 2wish volunteer community, a group of caring, supportive people who want to make a real difference. Whether you're able to help occasionally or on a more regular basis, your time and support help us stand alongside families at an incredibly difficult time.

Full training will be provided, along with ID, and expenses will be reimbursed.

This role is not suitable for under 16s.
