Why Volunteer with Us?

Volunteering to support our events is an important way to help 2wish be there for families in their darkest hours. Every event you support helps us raise vital funds and awareness, allowing us to continue providing compassionate, immediate and ongoing support to families affected by the sudden death of a child or young person, when they need it most.

Volunteering also gives you the opportunity to become part of the 2wish volunteer community, a group of caring and supportive people working together to make a real difference. Whether you're able to help occasionally or on a more regular basis, your time and support help us stand alongside families at an incredibly difficult time.

You will receive a full briefing ahead of each event, along with training and ID. Expenses will be reimbursed.
